Student Allowance – Parents' form

To complete your application for a Student Allowance, we need some more information from your parents. A 'parent' is a natural, adoptive or whangai parent, a guardian, caregiver, step-parent, partner of your parent or any other person acting as your parent who is responsible for your well-being and financial support. A person who receives a Work and Income Orphans or Unsupported Childs Benefit for you is not recognised as a parent for Student Allowance purposes. If you have only one parent, there's a different form to fill in. Call us on **0800 88 99 00** and we'll send out a One Parent application form.

Please ask your parents to:

Check the information on this form is correct. If anything is not correct or has changed, please amend this form and initial the change;

Provide any evidence we ask for;

Sign the form, and

Return the form to: StudyLink, FreePost 207116, P.O. Box 31622, Lower Hutt 5040.

Please write 'NIL' if no income.
