Dear Tory

About your Student Allowance application

Thank you for your application for financial assistance while you study.

We have been in contact with Massey University Albany Campus, and the information they have provided indicates that you're not a full-time student.

This means you don't qualify for a Student Allowance. If you think there has been a mistake, call us on **0800 88 99 00** by 6 August 2011 to discuss it - otherwise we'll have to decline your application.

Need help?

Our website **www.studylink.govt.nz** has more information and you can use our "Ask a question" page on the site. We're updating the information all the time using the questions we get asked most often by students. You can also call us on **0800 88 99 00**. Please have your client number handy.

Yours sincerely
